

Gabriela's Patriotic Necklace

How to make it:

1. With an adult to help you, cut enough yarn to make a necklace.
2. Briefly submerge some of the macaroni in a cup of almost neat food colouring and place it on a paper towel to dry. Use red and blue food coloring and leave some macaroni uncolored.
3. String the macaroni through the yarn - leave a few inches so you can tie the necklace off when you are done. Using patterns of colors (like red, yellow, blue, red, yellow, blue, ...).
4. Tie the ends of the string together and know you have a macaroni bead necklace to wear!
