

# DANGER RANGERS

## Dog Safety Discussion Guide

Watching the Danger Rangers is an experience the entire family can enjoy together. Here's a few key points you can review with your child before watching "Dog Days".

1. Always ask the owner for permission before you pet their dog.
2. Stay away from dogs that are sad, mad, or just unfriendly.
3. If a stray dog approaches you and there are no adults around, stand very still like a tree. Never run from a dog.
4. Stay away from a dog that is eating, chewing a bone, playing with a toy, sleeping, or one that has been injured, or a mother dog that is feeding her pups.

Let's see how much you've learned after watching "Dog Days"!

1. Any dog can bite you, even dogs you know.
  - a) True
  - b) False
2. What is important to remember before walking up to a dog you don't know?
  - a) You don't need to remember anything.
  - b) Always get the owner's permission first because the dog may not want to be disturbed.
  - c) To skip instead of walk.
3. What if a strange dog comes up to you when you're playing on the ground?
