

Play It Safe!

When you go for a walk, remember these safety tips:

- Hold an adult's hand when crossing a street.
- Look left, right, left for cars before you enter the street. Continue to look for cars as you cross the street.
- Cross the street at the corner and use traffic signals and crosswalks when available.
- If a ball or pet goes into the street, make sure to ask an adult to get it.
- Always walk on the sidewalk. If there isn't a sidewalk, walk facing traffic so cars can see you.
- Never play in or around parked cars.
- When walking at night, wear reflective or light colored clothing and carry a flashlight.

DANGER RANGERS®

Remember to look left, right, and left again for cars before you cross the street. Continue to look as you cross.
