

Play It Safe!

When in or around the water, remember these safety tips:

- Always ask permission before going in, on, or near the water.
- If you are around the water, make sure an adult is actively watching you.
- Know when & how to wear a lifejacket. It's fun & you'll look great!
- Stay away from the pool and hot tub drains.
- Swim in areas designated for swimming and dive only in areas approved for diving.
- If someone is in trouble in the water, get an adult and throw them something that floats.
- Know how and why to call 911.
- Enter the water feet first.
- Walk carefully around the pool.
- Learn to swim.
- Drink plenty of liquids and wear sunscreen when outdoors.
- Wear sandals to protect your feet.

DANGER RANGERS®

Only swim where a lifeguard or adult is actively watching you.
